# General Instructions for Tables 1-7, Cost of Services Table, Supplements 1 and 2

## **How to define Missouri Membership:**

Find out how enrollment and utilization is broken down for the Financial Statements, and utilize that methodology. If your company prepares the Financial Statements on some basis other than "Live or Work", then a Special State Page will be required. The Special State Page will be prepared utilizing the "Live or Work" rule.

LIVE: If it is done on a residential (enrollee/subscriber's home Zip Code) basis, then the only activity reported in this Supplemental Filing should be for Missouri Zip Codes (63001 - 65899).

WORK: If it is done on a group (contracts entered into with Missouri employers) basis, then the activity reported in this Supplemental Filing should be that of all enrollees or subscribers associated with those Missouri Groups.

Supplement 1 - Enrollment by Zip Code: This report should also be prepared using one of the methodologies stated above. For residential-based reporting, this report will contain only the Missouri Zip Codes (63001 - 65899) of current enrollees/subscribers. For group-based reporting, this report will contain the residential zip codes for all enrollees/subscribers associated with the Missouri groups, which may fall outside of the State of Missouri.

#### Tables (1-7) and Cost of Services: Instructions and Formatting Guidelines

- 1) Please submit Tables 1-7, Cost of Service via e-mail to mail to: <u>Jeanne.Robey@insurance.mo.gov</u> or if you do not have access to internet e-mail, then submit the data on a 3 ½ inch High Density, MS-DOS PC compatible diskette, CD-Rom or Zip Disk. The disk must be clearly labeled with:
  - a. Company Name, b. Reporting Period, and c. Diskette contents. Also you must virus check the Filing before sending it to the MDI.
- 2) **Tables 1-7 and the Cost of Services Table constitute a Set of Tables.** A Set of Tables must be submitted for each product a company offers, AND a Set of Tables for combined commercial products (HMO plus POS), if the company offers both these products. For example, Company X has an HMO, Medicare, Medicaid and POS product. They would need to submit **five** Sets of Tables:

#### Company X:

HMO (Tables 1-7 and Cost of Services Table)
POS (Tables 1-7 and Cost of Services Table)
Medicare (Tables 1-7 and Cost of Services Table)
Medicaid (Tables 1-7 and Cost of Services Table)
HMO & POS (Tables 1-7 and Cost of Services Table)

These five sets of tables are to be submitted in one "workbook" (see Page 26)

3) The Utilization Tables 1-7, Cost of Service Tables, and the supplements must be filed containing information based on **Missouri's "Live or Work" Rule**. Also, "dates of service" should reflect the date incurred, not the date the claim was received from the provider.

If you report on a Work basis, and you have enrollees with Illinois residential zip codes you will need to do a separate Table 1 for Illinois. If you report on a work basis, and have enrollees with Kansas residential zip codes you will need to do a separate Table 1 for Kansas. You do **not** need extra Illinois or Kansas tables for Tables 2-7 or the Cost of Services Table. You do **not** need extra Illinois or Kansas table 1's if you are reporting on a LIVE basis.

- 4) **General Formatting Notes:** Each table must be labeled to indicate:
  - a. the table number, (i.e. Table 1, Table 2, etc.)
  - b. the category of membership the table concerns, (i.e. HMO, POS, HMO/POS, MDCR, MDCD)
  - c. the state (only applicable to Table 1s prepared using the WORK method), (i.e. IL, KS, MO)
  - d. the name of the company,
  - e. the reporting period (see below),
  - f. the table title.

See Pages 16-25 for examples of acceptable format.

5) **Reporting Periods:** Please provide data corresponding to the following reporting periods:

<b>Reporting Period</b>	Time Frame for the Reported Period
Quarter 1, 2004	January 1, 2004 – March 31, 2004
Quarter 2, 2004	April 1, 2004 – June 30, 2004
Quarter 3, 2004	July 1, 2004 – September 30, 2004
Annual 2004	January 1, 2004 – December 31, 2004

6) **DO NOT** include any Administrative Services Only (ASO) membership or utilization data in any of the Tables submitted.

Note: ASO enrollees are defined as enrollees of the Health Maintenance Organization (HMO) for which the HMO performs administrative services only, such as claims processing for self-insured entities (third party at risk). The HMO has not issued an insurance policy (regardless of whether an identification card is issued) and therefore is not subject to any type of loss or liability caused by claims incurred by the ASO enrollees.

7) Any tables with blanks or zeros will be considered an incomplete filing unless the company submits a written statement that the service in question is not offered.

If you contract out one or several services, you <u>must</u> obtain the utilization information from the company/network with whom you contract and incorporate that data into Tables 1-7 and the Cost of Services Table. The Missouri Department of Insurance will <u>not</u> accept a separate filing from the company/network with whom you have contracted to provide specified services.

## **Instructions Specific to Each Table**

#### TABLE 1 – See Page 16

#### Average Enrollment and Cumulative Member Months by Gender and Age:

**A. Average enrollment** should be reported in each age and gender category using total enrollment at the end of each month, adding the totals together and dividing by the number of months in the reporting period.

#### EXAMPLE 1: Second Quarterly Filing-

	a	m	i	a+m+j/3
Age	April 30 <sup>th</sup>	May 31 <sup>st</sup>	June 30st	Average Enrollment
<1	3	5	2	3+5+2/3=3*
1-4	7	10	11	7+10+11/3 = 9*
etc				

<sup>\*(</sup>Please round to the nearest whole person.)

## **EXAMPLE 2:** Annual Filing

Enrollment on:

$$\frac{\text{Jan } 31^{\text{st}} + \text{Feb } 28^{\text{th}} + \text{Mar } 31^{\text{st}} + \text{Apr } 30^{\text{th}} + \text{May } 31^{\text{st}} + \text{Jun } 30^{\text{th}} + \text{Jul } 31^{\text{st}} + \text{Aug } 31^{\text{st}} + \text{Sept } 30^{\text{th}} + \text{Oct } 31^{\text{st}} + \text{Nov } 30^{\text{th}} + \text{Dec } 31^{\text{st}}}{12}}{12}$$

for each age category.

B. Cumulative Member Months (CMM) should be reported in each age and gender category.

CMM = total enrollment at the end of each month.

#### From example above, CMM is:

_	a	m	i	a+m+j
Age	April 30 <sup>th</sup>	May 31 <sup>st</sup>	June 30 <sup>th</sup>	CMM
<1	3	5	2	3+5+2=10
1-4	7	10	11	7+10+11=28
etc

**COST OF SERVICES TABLE – See Page 23** – This is actual "Claims-Based" information, not IBNR.

<u>Capitation is defined as</u>: A per-member, monthly payment to a provider that covers contracted services and is paid in advance of its delivery. In essence, a provider agrees to provide specified services to plan members for this fixed, predetermined payment for a specified length of time, regardless of how many times the member uses the service. The rate can be fixed for all members or it can be adjusted for the age and gender of the member, based on actuarial projections of medical utilization.

#### **Definitions of Column Headings:**

- **B. Deductibles/Co-payments:** Total amount of payments made by enrollees in the form of any required co-payment or coinsurance.
- **C. COB Savings:** Coordination of Benefit Savings Total amount of any savings related to coordination of benefits for enrollees with coverage under more than one plan.

- E. Total Paid: Total Paid = Total Medical Cost Deductibles/Co-payments COB Other Offsets
- F. Per Member Per Month: PMPM = Total Paid / Cumulative Member Months (from Table 1)

#### **Cost Categories:**

- **A. General Note:** Please be sure to include all Categories listed on the attached example table. Your filing will be considered incomplete if you report that you are unable to provide all the Cost Category data requested. (For example: you must be able to separate Inpatient and Outpatient Hospital costs, Inpatient and Outpatient Physician costs, etc...) Costs from subcontractors should be incorporated in the appropriate categories.
- **B.** Other: On this line, report financial figures for all other Cost Categories not listed in this table. Please footnote what 'Other' includes.
- C. Total Capitation Cost: Include here all costs for which payment is made on a capitated basis (see definition of Capitation on page 7). NOTE: If Capitation Costs are reported, you must <u>footnote</u> what those costs refer to, (e.g. mental health services, etc...). If you have more than one category listed in this footnote, please break out your Capitation Costs by each category.
- **D.** Don't forget to fill in the general questions concerning average membership, total membership, cumulative member months, average age of members, total number of members who received services that resulted in a claim and the HMO Model type(s) (see page 14 for Model type definitions).

FINAL NOTE: Consistency between tables, supplements 1 and 2 and other required MDI filings is very important. To that end we have provided you with a detailed comparison form (see page 13). It will be to your advantage to thoroughly review this form before submitting your data to MDI. If your HMO consistently fails the basic correlation tests detailed on page 13, then the MDI will mandate that you submit a completed page 13 with your filing. Also, to ensure that the tables are formatted and titled correctly, we have provided a sample Set of Tables (see pages 16-25).

When the review process results in a request for corrected data, please submit only those portions cited.

Also, please remember that Dates of Service should reflect the date incurred, not the date the claim was received from the provider.

## Supplement 1: Instructions and Formatting Guidelines – see page 24.

- 1) Please submit Supplement 1 via e-mail to <a href="Jeanne.Robey@insurance.mo.gov">Jeanne.Robey@insurance.mo.gov</a> or if you do not have access to internet e-mail, then submit the data on a 3-½ inch High Density, MS-DOS PC compatible diskette, CD-ROM or Zip Disk. Also you must virus check the e-mail attachment(s) before sending it to the Missouri Department of Insurance.
- 2) The company is to submit the requested data in spreadsheet format. NOTE: The filing will be considered incomplete if column headings/field names are incorrect or missing from the files. Please see below for further instruction.
- 3) Supplement 1 should include information pertaining to Missouri and the adjacent metropolitan areas (as defined on page 4, item 3) that extend into Illinois and Kansas, in a manner that conforms to Missouri's "Live or Work" Rule. This information should conform to the methodology used by the Company to prepare the Quarterly/Annual Financial Statement. If your company prepares the Financial Statements on some basis other than "Live or Work", then a Special State Page will be required. The Special State Page will be prepared utilizing the "Live or Work" rule.
- 4) On Supplement 1 <u>do not</u> include any Administrative Services Only (ASO) membership. *Note: ASO enrollees* are defined as enrollees of the Health Maintenance Organization (HMO) for which the HMO performs administrative services only, such as claims processing for self-insured entities (third party at risk). The HMO has not issued an insurance policy (regardless of whether an identification card is issued) and therefore is not subject to any type of loss or liability caused by claims incurred by the ASO enrollees.
